CABIN MATE REQUESTS

Please know that cabin mate requests must be mutual (other parents must request your child, too) with campers in the same program and within 1 year of age and grade of one another. We will do our best to honor these requests based on overall camp enrollment and provided they are made at least one week prior to the start of camp. Note: Most campers come alone. Making new friends is a big part of the camp experience! If you have any questions please contact us: 650–879–0223 or email Curtis Mackall – cmackall@ymcaeastbay.org

BEHAVIOR AT CAMP

At camp, we foster an environment filled with friendship, respect, and character development. Campers that cannot live within the rules of camp, or are adversely affecting the experience of other children will be dismissed without a refund. Parents are then responsible to come to camp and pick up their child.
HEALTH & SAFETY

HEALTH HISTORY
Health History forms are required to be completed prior to drop off. State Health Codes also require that Immunizations are up to date. If a child has any severe health conditions, has recently stopped taking a behavioral medication, or has recently been under a doctor’s care, a physician’s authorization is required for camp attendance. If none of these conditions apply, a doctor’s physical is NOT required.

PRE-CAMP HEALTH SCREENING
We encourage parents to conduct a routine health screen on their camper the day of arrival at camp. We are especially concerned about contagious conditions including flu, fever, pink eye, chicken pox, bed bugs, or head lice. A screening upon arrival at camp will also be conducted by our counselors. If any camper exhibits symptoms of illness the parents will be responsible for taking them to the doctor.

MEDICATIONS
All medications, including over the counter medications are submitted to health care staff at check in (State Law). Prescription drugs must be in the original container with physician’s instructions. If there is more than one kind of medication please place the original containers into a Ziploc bag labeled with camper’s name. You will be asked to provide complete written directions on dosage and frequency and verify instructions for dispensing your child’s medications upon arrival.

INSURANCE
You, as parent or guardian, are responsible for any medical costs incurred while at camp. Be sure to provide accurate information regarding your insurance carrier on the Health History Form.

Our practice is to call you if a camper is out of program for more than two hours.

**Allergies:** We will do our best to accommodate the needs of severe allergies. Please contact our Food Service Director, Stacy Letford at least two weeks in advance with questions: sletford@ymcaeastbay.org

**Illness:** If your camper is sick, please do not send them to camp. Please contact the office and we will try to reschedule their camp session in cases of documented illness. For illness during camp, campers are housed in the Health Center for a brief period, but will need to be picked up if their health does not improve. We will call you if your child is out of program for more than two hours (sometimes they are just tired and need to rest!) We will also call you to report any accidents more severe than a simple scratch or splinter.

HOMESICKNESS
Going away to camp can sometimes be a challenging event for children. We understand parent concerns and will work with you to ensure that your camper has a positive experience. Our first practice is very simple - PREVENTION. We find that keeping campers busy is the best anti-homesickness strategy around. Sometimes, however, children still experience varying degrees of anxiety. We work to help homesick campers overcome their difficulty. Most of the time we are successful.

If your child is not adjusting well, we will phone you to report and discuss possible courses of action.
PHONE CALLS HOME
There is not an opportunity for campers to call home during the week. However, if a camper is feeling anxious and asks to call home, we will make it happen! We want all campers and parents to feel comfortable with their experience. If a phone call helps, then we will find a time in between activities to work that out. Our staff may also contact you to discuss information about goals, behavior, homesickness, or even a special achievement.

VISITING DAYS
We do not encourage parent visits during programs. Our Saturday pancake brunch provides ample time for your camper to tour you around camp, meet friends, and tell you all about their week.

MAIL
Campers love receiving letters from home while at camp.

ONLINE PHOTO GALLERY
We offer online pictures for the parents of our campers to view. This service allows you a “one-way window” into camp life. You can also choose to send messages to your child. Please limit messages to 1 per day. Messages are delivered by dinner Monday-Friday. You will receive instructions prior to camp and at check-in for how to enroll. This service requires a small fee paid directly to Waldo Photos. Our photographer tries to include all children in the photo gallery, but due to timing and camera shyness not all campers will be in a photo every day.

CAMP STORE
Our camp store sells shirts, souvenirs, drinks, and snacks. Campers do not use cash at the store. Instead, parents deposit $20-$30 per week into a store account. Campers can purchase items during the week and “charge” against their balance. Unused store money can be refunded during checkout or donated to the Special Projects Fund at the end of summer.

ELECTRONICS AT CAMP
Camp provides campers a chance to live without electronic devices and daily social media. For security, safety, and a number of other reasons, we do not permit cell phones, iPods, computers, netbooks, electronic games, or similar devices. If these items are brought to camp, they will be stored in a secure place and returned to parents at the conclusion of the session.
We are not responsible for damage or loss of any electronics brought to camp.

LOST AND FOUND
We manage lost and found items through the camp session. On check out Friday, be sure to check our display of any unclaimed items. If you discover something is missing upon your return home, call the camp office as soon as possible. After 2 weeks, we will donate any unclaimed items to a local charity.
